IPP PROGRAMME OUTLINE

Our new IPP 12 programme will provide delegates with a valuable update on clinical practice; lectures and workshops will be given by university lecturers or lead clinicians in their specialist area.

We are currently the front runners in providing top class CPD for all Podiatry registrants and our national programme constantly reflects best in Podiatry Practice.

Please note that delegates may choose to attend both days or just for the Sunday or Monday.

PROGRAMME FOR SUNDAY 4TH MARCH

- 2.00pm Registration (delegates staying overnight can book into their rooms)
- 2.15pm **Diabetes and medications - What's old and what's new?**
Michelle Weddell
- 3.15pm Break
- 3.30pm **Western Medical Acupuncture, Proven Treatments for Musculoskeletal Conditions**
Jonathan Grendelmeier
- Optional Workshop** (this will be run twice in the afternoon, subject to demand)
"Getting Ready for the HPC Audit" delegates may bring along their portfolios for an open discussion
- 4.45pm End of event, Collection of CPD Certificates
- 7.00pm Delegates staying at the Telford Park Inn, on a dinner, bed and breakfast basis can meet for dinner.
- 9.00pm Quiz in the hotel bar – sponsored by Hotter Shoes.

PROGRAMME FOR MONDAY 5TH MARCH

Please note that in addition to the full delegate lecture programme we will be running workshop sessions throughout the day. Delegates can choose the lectures and workshops they want to attend when they arrive at the event.

- 9.15 Introduction and Welcome
- 9.20 **Vascular Assessment**
Anita Roberts
- 10.20 **Why our Children Should Walk Barefoot**
Tracy Byrne
- 11.20 Break
- 11.45am **The importance of the 4th and 5th metatarso-cuboidal articulation in propulsive gait, its clinical examination and therapeutic interventions if pathology is present.**
Michael Ratcliffe
- 12.45pm Lunch
- 2.00pm **The Efficacy of Laser Treatment for Onychomycoses**
(speaker tbc)
- 3.00pm Break
- 3.20pm **Do You Have A Tax Planning Strategy For You & Your Podiatry Practice?**
Riz Akhtar
- 4.30 Collection of CPD Certificates – safe journey home

OPTIONAL WORKSHOPS

The workshops will be run at intervals throughout the day – you will be able to register for workshops at registration.

Decontamination of Instruments and Infection Control – Where are we now?

Radio Surgery in Podiatry - A practical demonstration of high frequency Radio Surgery as the method of choice for Matrixectomies, disiccation of Neurovascular Corns, shave excision of Vercue and Tissue division in delicate podiatric surgery.

Tax Planning for Your Podiatry Practice

Getting Ready for the HPC Audit – please bring your CPD portfolio to join in the informal discussion.

SPEAKERS BIOGRAPHIES

Riz Akhtar, Partner RA Accountants LLP

RA Accountants LLP specialise in medical accounts, they offer highly personalised accountancy services and tax planning advice.

Jonathan Grendelmeier

Jonathan graduated from the Anglo-College of Chiropractic with MSc in 2000 and became member of the British Medical Acupuncture Society in 2001. He has worked at the Blackberry Orthopaedic Clinic as senior resident chiropractor and medical acupuncturist since 2001. He has a busy clinic treating both athletes and sports enthusiasts with acupuncture since 2001. Jonathan Obtained PG cert in traditional acupuncture in 2005 from University of Coventry and attended the College of Traditional Chinese Medicine in Reading in 2006/7. He is currently working towards MSc in Western Medical Acupuncture at the Post-Graduate Faculty of Medicine, University of Hertfordshire as well as working towards becoming an accredited member of the British Medical Acupuncture Society, UK.

Anita Roberts, MBA

Anita is the National Sales Manager at Huntleigh Diagnostics, prior to her role current role she was a Registered Nurse at National Health Service.

Michael Ratcliffe

Michael is a podiatrist with 20 years experience primarily in the area of clinical podiatric biomechanics; he has worked in the NHS, private practice and for an orthoses manufacturing company and is currently employed as the Head of School, Birmingham School of Podiatry at Birmingham Metropolitan College.

Michelle Weddell

Michelle joined A. Algeos in 2009, prior to this she worked as a diabetic specialist podiatrist setting up foot services for diabetic patients in the Burnley, Pendle and Rossendale areas. This involved working closely with Diabetologists, Vascular Consultants and tissue viability teams. While at Burnley she became the lead for the high risk podiatry service with a high risk community team. She developed vascular assessment clinics as well as community foot ulcer clinics and casting. She became a supplementary prescriber in 2008. Since joining Algeos she has been to India providing diabetic foot education through their office in Mumbai.

NOTES

1. Each presentation will have a question and answer session.
2. Delegates will receive a CPD certificate at the end of each day. First day will include 3 hours of CPD and the second day 6 hours of CPD.
3. Speakers may choose to restrict distribution of their presentational material
